SURROUNDING AREA: The building is located near the Vistula River, in a picturesque, green and quiet area in the vicinity of Port Praski. Next to it is a pedestrian and bicycle bridge, which allows you to get to the Vistula Boulevards and Powiśle. Nearby there are numerous walking routes on both sides of the river and bicycle paths. Around there is excellent infrastructure: Galeria Wileńska, Praski Hospital, National Stadium and Vistula Boulevards, school, kindergarten, cafes, restaurants and numerous service points.

COMMUNICATION: The building is located near 3 bridges and close to two metro stations Stadion Narodowy and the PKP Stadion train stop, and only 800 m from the Wileński Railway Station. Nearby there are numerous bus and tram stops.

Thanks to the proximity of two bridges – Świętokrzyski and Śląsko-Dąbrowski, a journey by car to the centre of Warsaw takes only about 15 minutes.

Currently, at the height of Karowa Street and Okrzei Street, a 500-meter pedestrian and bicycle bridge is being built, connecting the boulevards, which are a place of rest visited by crowds of Warsaw residents almost all year round, with the Praga bank of the Vistula, which is more natural and green.
