Advantages: • attractive location and investment potential • possibility of choosing a turnkey finishing package • option of signing a lease agreement with an experienced operator

BUILDING: an intimate, modern apartment and service building that is part of the My Forest residential complex in Białołęka, at 342 Modlińska Street. The project combines modern architecture with functionality, offering a high standard of common areas. ESTATE: the building is part of the My Forest estate. The project consists of 3 intimate residential buildings with underground parking. Recreational areas have been planned on the estate: – Playground for children. – Trampolines and outdoor exercise equipment. – Relaxation areas with a pergola, table and benches. – Illuminated walking path around the estate and the forest, ideal for daily walks and relaxation. Additionally, the investment will be equipped with pro-ecological solutions – i.e. heat pumps, which will reduce heating costs for the common parts of the estate. These pumps will be powered by photovoltaic panels installed on the roofs of all buildings. This is a proposition for those who want to combine the comfort of living in the city with proximity to nature.

LOCATION: Białołęka, Modlińska Street 342. Good public transport, easy access to the center and access to green areas and services. COMMUNICATION: Bus stop – Aluzyjna – 290 m from the investment (4 min. walk) Serves lines: 211, 723, 731, L49, N63.
