ESTATE: Fuzja is a new urban space friendly to live, work and rest. The project will consist of four residential buildings with over 600 apartments, as well as offices with a total area of approximately 40,000 m². sq m The historic buildings will also provide space for services, shops and restaurants. New city squares, common spaces and green areas will be created, covering almost 4 hectares. Residents and users of Fuzja will be able to take advantage of numerous amenities, including car sharing services, bicycle paths, bicycle service stations, parcel lockers and electric chargers. All this will make Fuzja – a unique investment well thought out in every detail – a unique place on the map of Łódź, attractive to residents and tourists.

ABOUT THE PROJECT: Developer Echo Investment is building a housing estate on the site of the former Karol Scheibler factory, consisting of 20 buildings for various purposes, 14 of which are adapted historical buildings – Its heart will be a historic, Art Nouveau power plant and a green square. Currently, 2 buildings have already been put into use, one of them houses the Żabka market. The city square is now developed – various events are held here every weekend, and there is also a playground for children. Location of the estate: Center of Łódź – between Piotrkowska, Tymienieckiego, Kilińskiego and Milionowa streets.
