ABOUT THE ESTATE: In the Wola district of Warsaw, at Redutowa 9, an extraordinary place to live is being created – CITYFLOW. Residents will find peace here and many different forms of outdoor recreation, while remaining in the center of the capital's events. The first stage of the project includes 333 apartments in 2 8-story buildings. And all this surrounded by greenery – almost 40% of the plot is biologically active. In the vicinity of the estate – public transport stops, kindergartens, schools, shops, restaurants, bars, banks and many other service points make life easier and save time. The inner, green, central park will run in the middle of the estate, on the east-west axis. Additionally, there will also be a square with a fountain. On the western side, the so-called activity, relaxation and meeting zone – for the exclusive use of future residents. The zone will provide a lot of interesting opportunities to spend time outdoors, offering: a vegetable garden, a playground for children, a relaxation zone with deckchairs and hammocks, an amphitheater, a square with water mist, and a recreational area for dogs.

The estate is planned to include:

- Space for residents (inside the building), including: a meeting/event room, a billiards/table football area and others.
- Own bicycle and scooter rental.
- Car care area in the underground garage.
- Bicycle service and bicycle parking spaces.
- Power points for electric cars.
- Smart home system.
- Stroller/bike room.
- 24/7 security.
