ABOUT FUZJA: Developer Echo Investment is building a housing estate on the site of the former Karol Scheibler factory, consisting of 20 buildings for various purposes, 14 of which are adapted historical buildings – Its heart is a restored, Art Nouveau power plant and a city square next to it (with a playground, a roller-skating area, a meeting and walk place for residents).

Location of the estate: Center of Łódź – between Piotrkowska, Tymienieckiego, Kilińskiego and Milionowa streets.

ESTATE: Fuzja is a new urban space ideal for living, working, and relaxing. The project will consist of four residential buildings with over 600 units, as well as offices with a total area of approximately 40,000 square meters. The historic buildings will also house space for services, shops, and restaurants.

New public squares, common spaces, and green areas will be created, occupying nearly 4 hectares. Residents and users of Fuzja will be able to take advantage of numerous amenities, including car-sharing services, bike paths, bike service stations, parcel lockers, and electric chargers. All of this will make Fuzja – a carefully planned, exceptional investment – a unique place on the map of Łódź,
