ABOUT THE MERGER: Developer Echo Investment is building a mixed-use development on the site of the former Karol Scheibler factory, comprising 20 buildings, 14 of which are adapted historical buildings. Its heart is the historic Art Nouveau CHP plant and the surrounding town square. Currently, additional buildings are being completed, one of which houses a Żabka supermarket.

Location of the estate: Center of Łódź – between Piotrkowska, Tymienieckiego, Kilińskiego and Milionowa streets.

ESTATE: Fuzja is a new urban space ideal for living, working, and relaxing. The project will consist of four residential buildings with over 600 units, as well as offices with a total area of approximately 40,000 square meters. The historic buildings will also house space for services, shops, and restaurants.

New public squares, common spaces, and green areas will be created, occupying nearly 4 hectares. Residents and users of Fuzja will be able to take advantage of numerous amenities, including car-sharing services, bike paths, bike service stations, parcel lockers, and electric chargers. All of this will make Fuzja – a carefully planned, exceptional investment – a unique place on the map of Łódź, attractive to residents and tourists alike.
